About Mary Foley

Passionate to share what she's learned and how to apply it, Mary created a simple, powerful approach to revving up other women entrepreneurs. Today she is an author, speaker, business coach, host of the P.O.W.E.R. Plug Podcast, and lover of Wonder Woman. When she's not wearing her red cape, she is having the best conversations ever while sipping wine at a RVA restaurant or yet another Virginia winery. For more, go to maryfoley.com.
